Royals Sports News

With Royals basketball finished now and badminton under way here is a look at some recent highlights:

Sr. Boys and girls basketball teams experienced another great season this year. The Sr. Girls won the CESAA league for the 3rd year in a row defeating Didsbury High in the finals. The girls then went on to host 1A Zones on home court defeating Bassano in overtime in the finals winning their 3rd Zone banner in a row. To finish off their remarkable season our Sr. girls went into 1A Provincials hosted in Paradise Valley ranked 2nd in the Province and came away **winning Provincials for the first time in OKCS history!** The girls defeated 3rd ranked Foremost in the semi-finals and then went on to defeat no. 1 ranked Stirling in the finals 66-61. Great job girls!

Sr. Boys also won the CESAA league for the 4th year in a row defeating Olds High in the finals. The boys then went on to finish 2nd at Zones losing to Rosemary in the Zones finals. To finish off their season our Sr. boys went into 1A Provincials for the 3rd year in a row. The boys lost their first game to St. Mary's but went to win their next two games to finish off the weekend strong.

Jr. A boys had a great season as well where they lost in the CESAA league finals to Olds High and then went on to 1J Zones in Rosemary where they won bronze.

Jr. A Girls had a great season as well where they defeated Olds High in the CESAA league finals and then went on to win the 1J Zones banner hosted in Trochu. OKCS A girls have won the Zone banner 5 out of the last 7 years so great job to both our Jr. A teams!

Congratulations to our middle school girls and boys teams for their seasons as well. Both teams played in the CESAA MS A league for the first time in a long time providing stiffer competition than the MS B division. The girls finished off the season hosting a small home tournament on Mar. 2nd which they won.

I'd like to thank all our basketball coaches this past season for their time, dedication and love for basketball and kids. Much thanks to Paula Swalm, Sarah Paulsen, Donna Reed, Erin Shantz, Schaane Cameron, Heather Genesis, Kim Rieberger, Coach Josh, Diane Sewell, Katherine Strohschein, Ken Taks, Zach Longstaff, Spencer Parrott and Chris Schulz.

Royals badminton is also well under way now and some of our Sr. high's are competing at the annual Lethbridge invitational this weekend. This is one of the largest Sr. high tournaments in the Province. The Jr. high's will be in Innisfail competing as well. Sr. high's will be competing this week in CESAA Divisionals vying for spots in the Apr. 13th Zones tournament in Strathmore.

CESD Board Message

Strong Leadership set students and staff up for Success **A message from the Board of Education**

As elected Trustees with the Chinook's Edge Board of Education, we are leading an initiative to ensure that Education is a priority discussion throughout the current provincial election process. Albertans will vote on April 16 th for the party that will lead our province into the future. To us, this must include a vision that ensures adequate supports for the students and school communities we serve. We are keen to discover what each party's Education platform is and what each candidate's Education priorities are.

We have developed an information sheet (link) that outlines our top priorities for Education, and encourage our school communities to join us in discussing Education with your local candidates. Thank you for working with us to find solutions that continue supporting our quality learning environments for students. Together, we will ensure that Chinook's Edge remains the school division 'where students come first'. On behalf of the entire Board of Education, thank you for your involvement in moving our division forward.

Colleen Butler, Chair
Chinook's Edge Board of Education
