

Olds Koinonia Christian School Education Plan 2021-2022

Goals	Academic Excellence	Social Emotional Well-being	Career Connections
Understanding the Context	OKCS students will reach their highest academic potential.	Students will have the knowledge, skills and attributes to respond to their social emotional needs. Staff will have the knowledge and skills to respond to the social emotional needs of themselves, their students and colleagues.	OKCS students will enrol in formalized post secondary learning or career training beyond high school.
Target	93% of OKCS students will be reading at or above grade level. 100% of OKCS students will meet the acceptable/satisfactory standard, and 25% of OKCS students will achieve the standard of excellence/ proficiency on grade level assessments. The achievement gap seen in Indigenous students will be eliminated.	Any student or staff member challenged in an area of social emotional well-being will have access to division supports and services. Each student will achieve an attendance rate of 90% or higher. 90% of OKCS staff will complete the Social Emotional Well-being Certification Series. 100% of OKCS students will receive Christian Education.	60% of OKCS students will transition to postsecondary within 6 years of grade 10. 90% of OKCS students will achieve 3-year High School Completion.
Refined Strategies	Grade 1-9 students will write diagnostic, standardized assessments in reading, writing, and mathematics to determine level of ability and inform teaching practice. Teacher teams will analyze student data and put necessary interventions in place. Teachers, parents, and students will work together in creating an academic plan to support students unable to achieve at grade level. Teachers and school teams will accommodate, adapt and modify content where appropriate to ensure students can reach their highest academic potential. Effective use of technology will be embedded into instruction, assessment, and student learning. School teams will identify interventions to support our	Staff members will respond to the social emotional needs of their students through use of the collaborative response model and intervention plans. Staff members may use the supportive process (KITE) for the most vulnerable students. OKCS staff may use the Social Emotional Framework tool to identify student needs and plan interventions. OKCS staff will use a self-evaluation survey to enhance their skill set in supporting student social emotional well-being. School teams will examine attendance data and its impact on student success, working through a system of support with students and families. School administrators will work	High school career teams will identify strategies that positively impact FNMI high school completion and successful transition to post secondary or world of work. The Career Connections Team will refine promising practices for careers planning for schools including meeting with a member of the career team prior to grade 12 and provide opportunities for students to visit post-secondary campuses. School administrators and Careers Teams will ensure a clear process to connect high school students to scholarships, bursaries and other opportunities including Rutherford Eligibility. Middle and high school administrators and their staff will use MyBlueprint for career exploration beginning in grade 7.
