Kindergarten Students:

If you have a kindergarten child, reduce their increment by 50%. If your kindergarten child is the only child being transported to the school, divide the annual fee in half. Enter the appropriate amount in the Transportation fee slot in the above chart.

Part Time Riders:

Applications for part-time riders must be made through the school and fees will be assessed on a case by case basis, but will include the \$165 in town rider fee, if applicable.

Choose one line only as applicable for your situation and calculate the transportation fee according to your expected percentage of full-time use.
