

Mission Trip Presentation from Shelter Canada

This invitation is specifically for families with students who will be entering Grade 11 and 12 in 2025-2026. However, families of students entering Grade 10 are also welcome to attend if they are interested in learning more for future consideration.

Representatives from Shelter Canada will be present to share insights into the purpose and logistics of the trip, along with stories of the impact it has on communities in El Salvador. Our board members will discuss the potential next steps in the application process, tentative timelines, and how students can get involved. We also invite you to a special follow-up event on Thursday, June 26 at Olds First Baptist Church, where you'll hear from a local partner from El Salvador who works closely with Shelter Canada. He will be sharing powerful stories and experiences that highlight the incredible impact these homes have had on families and communities.

Please join us at 7pm on Tuesday, June 10th in the chapel.
